

AGA™ RAYBURN

RAYBURN RANGER®

A New Generation, All-Electric Rayburn

The fully-electric Rayburn Ranger® provides flexible, energy-efficient cooking and beautiful retro styling to your home.

The cooker includes two large capacity radiant ovens plus a warming oven, which operate independently. It also benefits from a grill, a cast iron hotplate, which can be set to boiling or simmering mode and two-zone induction hob.

The exterior is available in eight colour options including traditional shades and bold hues; Tomato, Marmalade and Sunshine.

Key Features:

- Controllable cast iron hotplate with boiling and simmering modes
- Two-zone induction hob with bridging feature which provides the option of a larger cooking surface for griddling
- Enamelled steel, radiant roasting oven with 900W grill
- Enamelled steel, radiant oven that can be set to baking or simmering mode
- Warming oven for heating crockery or keeping food warm until serving
- Easy to use control panel
- No servicing, plinth or flue required
- Improved energy-efficiency and lower running costs with E-setting

Control Panel

Independent control of each oven

- Roasting
- Baking / simmering
- E-setting
- Grill

Control for cast iron hotplate

- Boiling
- Simmering
- Off

Warming oven switch

The Ovens

- Two 5mm radiant steel ovens with enamelled liner
- Cast iron doors

- Magnetic door catches for smooth closure
- Stainless steel door liners that can be removed for cleaning by hand or in a dishwasher

Roasting Oven and Grill

- Heats up from cold in 90 minutes, for high temperature cooking
- 900W grill with four grilling positions, which heats up in 10 minutes from cold
- E-setting heats to low baking temperature in 60 minutes

Control Panel

Baking / Simmering Oven

- Can be set to baking or simmering mode
- Heats up from cold in 120 minutes, for moderate temperature baking
- E-setting reduces baking oven to simmering oven for slow, low temperature cooking

Warming Oven

- Can be used independently from other ovens

The Hotplate / Induction Hob

Cast Iron Hotplate

- Chrome lid and handle
- Can be set to boiling or simmering mode
- Cast iron surround with Altrashell™ coating for easy cleaning
- Heats up to boiling mode from cold in 30 minutes
- Heats up to simmering mode from cold in 20 minutes

Room vent

Two-Zone Induction Hob

- Temperature settings:
 - Defrosting 44°C
 - Warming 70°C
 - Simmering 94°C
- Bridging function across two zones, suitable for use with a griddle or fish kettle
- Boil dry detection
- Timer function
- Permanent pot detection
- 'Power boost' function provides ten minutes of maximum power
- Child lock and pause button
